Datum: JAN 9. 1945

Dear Folks. Well we have a bit of snow now but
it's not near as cold as home. I'm skating every day
and playing hockey. I use Don's skates when I
want to so I'm lucky, he had a good pair sent out.
It seems a long time to think I left home in '43.
I guess I'll see another birthday here too. I'm keeping
very fit, hope you are too. love Bab.
